Description EMSAC® 500 is an aqueous suspension of ELKEM MICROSILICA®, certified to EN 13263 ‘Silica fume for concrete’. In use, EMSAC® 500 improves the performance of concrete and mortar formulations.

It acts physically to optimise particle packing of the concrete or mortar mixture and chemically as a highly reactive pozzolan.

Applications EMSAC® 500 is supplied as an aqueous suspension (slurry) with a solids content of 50% by mass and is easy to handle and pump. Batch EMSAC® 500 into the concrete mixer and mix thoroughly ensuring full dispersion. Dosage varies depending on application. Contact Elkem for information and advice.

Chemical & physical data

Property	Unit	Value
SiO ₂	%	Minimum 85.0
SO ₃	%	Maximum 2.0
Cl	%	Maximum 0.3
Free CaO	%	Maximum 1.0
Free Si	%	Maximum 0.4
Loss on ignition	%	Maximum 4.0
Specific surface area	m ² /g	Minimum 15.0 and Maximum 35.0
Pozzolanic activity index	%	Minimum 100
Dry mass content	%	50 ± 2

For typical analysis of minor elements, please contact our Elkem representative.

Packaging The product is available in 200 litre drums, 1 m³ containers and bulk road tanker. Please contact our representative for more details.

Storage and handling EMSAC® 500 is a stable product. However, to prevent the natural process of segregation, the product should be regularly agitated to remain homogeneous. EMSAC® 500 should not be allowed to freeze as this renders the product unfit for use.

Health, safety & environment Refer to Product Safety Information (PSI) document on our website: www.elkem.com

Quality assurance Elkem Silicon Products management system for development, processing and supply of EMSAC® is certified to ISO 9001:2015. The chemical and physical properties of EMSAC® 500 are regularly tested in accordance with EN 13263.

Sustainability For Elkem, sustainability is central to our business strategy. Our mission is to provide advanced material solutions shaping a better and more sustainable future, adding value to our stakeholders globally. We are committed to reducing embodied carbon emissions. For further information, please visit www.elkem.com/sustainability/ or contact us to learn more about our sustainability roadmap.
